About Us

Our humble beginning was a polyster convertor in 1991..
Later opened a factory in 1993 at Shandhra as graver printers...
in 2007 we where the pioneers in manufacturing Christmas
Tinsel Garlands in India which is one of the largest base
right now...

Continuing our transitional journey our legacy spread wings
hence started Christmas decoration set up

JUVENILE CREATIONS Pvt Ltd in 2012 Juvenile Creations
happend to be reputative top notch company when it comes
to birthday events Or Christmas decorations..

With excellent track record in manufacturing exquisite
chrished products our firm Juvenile creations is one of the
ultimate trendsetters of its kind which rejuvenate your
decorations..

Our value added services cater huge spectrum of Clients
including multinational and Indian corporates..

From production of raw materials till delivery of items
we used superior technology and modern machineries
to ensure the outcome offers smile factor and trust
amongst our esteemed clients ..

R and D and quality assurance being the key factors
We are serving our premium clients with one-stop
decoration services and Quality Assurance. We serve
first-class products such as Tinsel Garland, foil fringe
curtains, metallic foil balloons, candy cane artefacts,
artificial marigold flowers and Glitter Powder under the
registered brand name of MIDAS TOUCH.

We utilize raw materials of extremely high quality in the production
of our items which makes these excellent. Our company is established
in India with 2 facilities at Delhi & Haryana summing up to an area of
15000 square feet, has served clients pan India and a good number of
customers worldwide. corporate Solutions Industry Expertise
To earn costumer respect through our exquisite range of services.
